

One simple idea that could jumpstart the end of tyranny forever...

Folks, although it doesn't seem like it on the surface to most of us right now, Our basic human freedoms in 2010 including the basic right of Personal Privacy, such as our medical records now being collected together, & Free Speech, are under assault by a long developing criminal system that is currently out-of-control by most of us. At one time in America, when one spoke of the government, they thought of their city or country government first, or perhaps their state government. Now when people talk about "the government", they are usually referring to the federal, "the feds", or national government. A big problem is that our national government has had its own paper money machine, The Fed, or "Federal Reserve", making it all powerful over the 50 states, since 1913.

Now the federal government thinks it owns your children's minds (The Federal Board of Education). They think "they" own your income (The IRS). "Homeland Security" thugs really means "Homeland Insecurity" gestapo as they cast fear on the population, spy on Americans, and prosecute anyone they wish to frame as 'terrorists'.

The Federal Government has just passed new laws giving the executive office the ability to disable or suspend the entire internet at any time dictator Obama, (Bush III), gives an order. Nothing has *changed*. We have been sold on taking measures for our "safety" while the shackles are being put more on all of us. The existing old corrupt establishment government is constantly talking increased warfare against people on our planet. And a murderous government called Zionists who control Israel are talking about using nuclear weapons against the many millions of innocent people of Iran. When are we going to end the establishment's agenda for more wars?

Obama's approval rating is setting new low records at 41% as of June 2010. The public's approval rating of Congress is even less, near 10%. And we are finding out Obama's real name has long been Barry Soetoro and that he was really born in Kenya and is by record still a legal Indonesian Citizen. See obamacrimes.com for more information for research on the true history of this Fortune 100 puppeted person, this establishment bred imposter, who many hail as "Obama". He permits the ongoing genocide in Palestine. He has delayed fixing the gulf ocean oil leak for 80+ days, to tax us on carbon. He lied about taming the federal budget. The murderer has lied while campaigning about dissolving the occupations and horrible warfare being continued in Iraq and Afghanistan. He lied about "No new taxes." He's blatantly lied to us on over a dozen major counts.

Most simply, we have lost our minds to constant entertainment and the corporate media; our forgotten culture of citizen conscience in America. This corrupted system of government has obviously become the **#1** power in America and We The People have become **#2**. We need to start speaking regularly to our neighbors again, and we need to host and meet at conventions at the local, state, and again national levels about real issues; not the untrustworthy national political theater, not daily sports, hollywood, singing competitions, or even sentimental issues *for the time being*. This long corrupt current government doesn't prevent *but rather* feeds off new crises. The Feds were empowered by 911 and every other establishment-contrived inside-job crisis since – and every new problem the feds plainly prolong or manufacture.

We need to heed the warnings of those such as Thomas Jefferson, Andrew Jackson, and John F. Kennedy, and many others. They publicly gave us advice about defending our liberties from those who control "the system" from behind the scenes: namely secretive big global bankers such as the House of Rothschild, corporate tycoons and CEOs, the military industrial complex top brass, and other "elites"; who are collectively wishing for and conspiring to create a planetary government modeled as a planetary prison; in an attempt to seize the whole world through mass murder, now fully enabled under their fully established power. Instead we need to seize them! Are **We The People** going to accept their open tyranny or will we re-awaken and re-invigorate our public conscience by re-starting vital communication with all our neighbors and to at least get on the same page about at least *one simple idea* that we can subsequently unify more around? A great idea for all of us to agree upon is to slightly alter the name of our country by one word, as an obvious new beginning. It all starts with words.

The idea can simply start with the majority of us agreeing to simply rename the United States of America into the **Independent States of America**, so the USA has now become the ISA; a visible difference. The next step would be for the individual independent freshly reconstituted states to establish their own Bill of Right's and *equally important independent state currencies* and also one most important national law that will end the national government's ability to borrow fiat or printed money from the world's criminal private central banks.

Please email this and utilize your home printer to deliver this notice to our fellow citizens. Attach this to an email and forward it to all your contacts without any discrimination. We need reminder that Independence Day is not just beer and fireworks. The day is set aside of think of the principles of freedom, to start communicating at a time of recognition of the loss of liberty, and that time is now, by the time the fireworks ignite on July 4th.

Declaration of *We The People*
for the Establishment of :::
The Independent States of America
(I.S.A.)

This document can be found online using keyword: Fr33domSoon

We The People can make a dramatically positive difference together. We need a common theme. We can all live in a better and happier world. We need to do something big to mark the real change.

Right now, we are United as 1939 Eastern Germany: one entire country, one currency, one financed puppet commander, and many wars. We are no longer 50 independent states. We are now much like the "unsinkable" Titanic, crashing into icebergs (other cultures) and taking on more and more water (debt). Our country has been sinking; slowly and dramatically. The elite class, who work collectively as one mind, wants another world war for the poor to suffer and die in. Are we just going to take orders, get suited up as with one uniform, to kill more? Is it brave to bomb other people? Isn't there a more peaceful way to be?

Yet the seemingly forgotten 10th amendment to the Constitution grants each of our 50 states independence from central control. The same out of control central government is now creeping into our own homes. It started long ago with cancer causing fluoride put into our water. Are we each free & independent? Have we now just become penned-up slaves? Are we meek or are we brave? Are we just the homes of the slaves?

Together we can remove the old corrupt global establishment that en-debts and controls the United States of America. We can definitely restore peace, balance, prosperity, and all beneficial human freedoms.

All we have to do to create a solid foundation for real positive change (not chump change) is agree to do one thing together, or at least most of us. That is, we wish to establish a new government by and for We The People in the eyes of Creation. We need immediate volunteers. The best chance of this is sharing this idea and printout, back and forth, everywhere, for the Establishment of the "Independent States of America" or I.S.A. **You can be the "I" in I.S.A.;** a slight change of wording, but a big, real and tangible difference. We can establish a benevolent system; perhaps one that provides property to new citizens, when they turn 18.

Together, We can overcome a lying out-of-control parasitic criminally corrupt government. If every soldier joins us, then we don't even need to get our guns out to expunge today's class of corrupted politicians, in order to get them completely out of the way. Not centralized power, but 50 good short-term governors for the 50 independent states, elected by the people of each state. 50 currencies and 50 constitutions, for the protection of minority rights everywhere; as defined by the full voting electorate of each of the 50 states.

USA can easily be made into ISA. No more national war mongering state Offenses, just a strong set of 50 Independent State Defenses. A beneficial system; perhaps one that provides a home for every new family.

"I" agree to the establishment of the Independent States of America, in order to fully replace the corporate controlled, horribly corrupted, war mongering centralized power of Washington DC; we declare 50 states.

(Just get two others to sign before framing your statement and pass around

many copies; it is the duty of every free and independent person to promote freedom. If this quickly becomes a fad; We will convene for real positive change.

Author's note:

I was most fortunate in only one way in my life so far. I had the pleasure of meeting a very very very old man who physically appeared about 70 years old, who I realized days later must of only been our world's "God". During the 20 minute meeting, where this handsome elderly looking man, with bluish-purple light at a certain point emanating from his mouth, who knew everything about my life without having to say anything to him about me during the conversation in March of 2005 – wished to discuss the current evil establishment agenda, still existing in July 2010, with me. At one point during the discussion He further stunned me by asking me:

" And who do you think should be saved? "

I was in a state of shock and was unable to provide Him an answer at that time. I just stood silent until he changed the topic again. For years since that conversation I have been wondering what is the most perfect answer to that question. It seems the Illuminati/ banking/ Zionist agenda has been justified to exist by heaven above to help "God", The Father of Creation, sort out *who should be saved*. However, I still do view the whole concept (Revelations' prophecy) as a nightmarish idea. So I am writing this as a way I hope to communicate the following belated answer back to Him; of which I wish I could have provided Him right after being asked that most profound question imaginable.

In response to the Eternal King's question to me: **" And who do you think should be saved? "**

After years of pondering this question, the best answer I have to date is:

" I think who should be save are all those, throughout the world's history, who have have been kind, and those who have believed the story of Jesus's life is a most beautiful story, who have long believed Jesus was real and still is – those who also have wished to live an eternal consciousness/life + all others that The Father chooses to save for His own reasons, (even Hitler, if He chooses, for example); but principally those who have respect for life in general. In other words, those who have loving hearts and those who loved Jesus's message + any others The Father wishes to save; any number of people/souls who are interesting enough to The Father to save - from souls of infants who died young to old-timers. My opinion is that those who mostly only care about themselves, sports, entertainment, etc. and do not believe an eternal existence is possible - those who deny Jesus's message; most likely should be overlooked for Creation's grace for an eternal consciousness/life – so possibly 'no', or "lights-out", to those who who deny responsibility to care for others, or didn't or don't have faith, hope, or much unselfish care or love. "

Universal People's Statement of Freedom

(Maximum Freedom or Fascist Slavery; it's each individual's decision. Public opinion means everything.)

Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement versus the spirit of liberty. When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty. The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people. The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all.

The laws of a Republic should be written clearly in the form of a constitution. However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands. More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including 9-11-2001, the organization widely known as the "United States Government" has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt international banking, war-mongering, so-called "freemasonic", "illuminati" or "new world order", interests. Therefore the "United States Government" has severely turned away from serving its sacred cause of freedom!

Therefore the "United States Government" has failed and is de-facto illegitimate as of the time of the announcement of this declaration at the start of the new people's convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world's people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects. All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This progressive change of government should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny!

As we acknowledge this world-wide published declaration in multitudes, we pledge allegiance to each other. We are firm in our disassociation from the previous "United States Government" or any corrupt power. In unison We proclaim to disallow that organization to silence us, to control the mass media or the internet, to suppress us, to spray chemicals upon or conduct any experiments on us, to detain us, to imprison us, to terrorize nor genocide us, to tax us, to bill us, to create dollars or borrow credit, nor counterfeit paper money, to legislate for us nor to adjudicate any proceedings, to direct our armed forces, to make war, or make agreements in our name, nationally or internationally. We are fully aware of our God-given rights; including dissent.

Addendum: Initial action list for the people's convention (initial recommended date: July 5th, 2011; place: St. Louis, MO)

Withdrawing our businesses and franchises from federal or state-wide taxation of the "United States Government" and its equally corrupt *mother companies, the United Nations, International Monetary Fund, and World Bank.*

Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to: *pay off all national debts, redistribute wealth fairly, fund the new government, and reinvigorate the economy.*

Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a *large, and voted-upon, national forest. A new capitol is essential to mark the change in thinking.*

Close and refurbish Washington DC, converting the former capitol into a city-wide orphanage and school campus for the nation's *underprivileged children; dedicated in honor of patriots who lived bravely before us without shame.*

Establish a new passport identification, numbered as chronologically signed, and imprinted inside a new & improved Bill of Rights - to be made *available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. (All inmates individually reviewed for possible release.)*

No more will we allow homeless/helpless to be picked up, medically experimented upon, or murdered. Every destitute person should be given an opportunity by the new system to construct a dwelling and share in a community atmosphere.

An end to the concept of "foreclosures". No more will the system be able to profit by conspiring to set market conditions so that people are unable to afford their family homes. Each house now belongs to the family, not to a bank.

Project Fresh Start – Organic Home Gardening Incentive Program, using a portion of elite reclaimed wealth, to finally solve world hunger. ~~~

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into despotisms. - Aristotle

If the world knew how to use freedom without abusing it, tyranny would not exist. - Tehyi Hsieh

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. - Sir Joseph Stamp, former president of the Bank of England

Yes, we did produce a near perfect Republic. But will they keep it, or will they, in the enjoyment of plenty, lose the memory of freedom? Soldiers Code

1. I am an American soldier - A protector of the citizenry, sworn to uphold the Constitution of the United States.
2. I will treat others with dignity and respect and expect others to do the same.
3. I will honor my country and my fellow soldiers; those who are not traitors to the Bill of Rights & Constitution.
4. I am proud of my country & its flag. I wish to look back and say that I am proud to have served my fellow citizens.
5. Lastly, no matter what the situation I am in, I will never do anything for pleasure, profit, or personal safety which would disgrace my country, my uniform, my unit, my high school class, and the people of my country.

Obama-nation: “**National Socialism**” (1939-1945 Germany); power in fewer hands
has already before drastically TWICE PROVEN TO BE A TERRIBLE IDEA.

The prophetic "**OBAMAGRAM**" decoding is CLEAR AND MOST HIGHLY obvious.

Obama Can't Save You unless You prevent Obama from casting more deceptions; which started with his fake/ forged Hawaiian birth certificate (see: obamacrimes.com). Otherwise, perhaps, the future is already foretold.

The decoding states Obama (“Oh....bomb-us?”) will seem to be taken out in a bomb blast.

The beast system is not loyal to anyone, only the beast system itself, even Obama.

"They", the global criminal aristocracy, will apparently have Obama ass-asinated.

If Obama is not seen live at ground zero prior to the the detonation (Washington DC?)

his demise could only be yet another ruse. (A large deep tunnel system exists under DC.

The white house has a hidden entrance to an underground tunnel network and secret facility.)

Why a nuke? The incredible decoding states: “**A bomb eradicates prank!**”

(Letters of “**President Barack Obama**”): “**Ape bomb! Stark radiance!**”

“***Stark Radiance***” seems to imply nuclear. It appears one of the two decoded scripts will be played out.

To help prevent future horror: hot photatocopy this, print booklets, even sell for a profit.

ABOUT THE *fascist* “**NEW WORLD ORDER**” BEAST SYSTEM; PUBLIC OPINION IS EVERYTHING.

Things are now getting worse – even more than under the scrub Bush Jr.! Total Darkness!

The major media *celebrity liars* WORLDWIDE need to be arrested & incarcerated together first, then quickly after them, the *world's criminal elite class*. And ASAP!

The global elites need to be contained by the good guys within the various global militaries; **a mutiny! Those helpful in their round-up will receive full pensions funded from the gold, silver, real estate, etc. reclaimed for the people from the Rothschild's and other elites.** The “6660” or so elites should be contained in a “floating capstone” secure prison island, where they can then dominate themselves - and we can watch on via a new reality tv show, like “Lost” - but more fun & real.

In the meantime, QUIT ACCEPTING THE CORRUPT SYSTEM'S EUGENICS/MERCURY TAINTED VACCINATIONS, TOXIC FLUORIDE IN THE PUBLIC'S WATER, MASS MEDIA LIES, WARS, AND OTHER SOCIALIZED CONDITIONING!! AWAKEN!

Discuss and prevent the elite's ongoing bio-attack strategies! Do it for others!
